

Worked All South Dakota Counties (WASDC) Award

WASDC Rules

The WASDC award certificate will be issued to any licensed amateur radio operator who submits a WASDC application form listing confirmed, two-way QSO's with all of South Dakota's 66 counties. The WASDC application form must be signed by the applicant and include suitable QSL verification.

1. Contacts may be made on any amateur radio band or mode (repeater contacts and VoIP modes are not allowed, however satellite and moon bounce contacts are acceptable).
2. All contacts must be made after December 31, 2008, 000 UTC.
3. All contacts must be made **from** the same county, parish, district, or location.
4. A confirmed contact must be made for each of South Dakota's 66 counties.
5. Contact with portable and mobile stations may be claimed. Stations on county lines can count for both counties, provided the confirmation from the worked station confirms the county line operation.
6. No more than 10 counties can be counted from a single worked station / call sign.
7. Single band or single mode (except phone modes) applications are accepted and the WASDC award will be suitably endorsed.
8. The WASDC application must show the call sign, county, date, time, mode, band, and frequency of each worked contact arranged in alphabetical order by county.
9. Suitable verification of contact can be made by any of the following:
 - Submission of all QSL cards showing confirmed contact with each of South Dakota's 66 counties. Please include a self-addressed stamped (with adequate postage) envelope for return of your QSL cards, or
 - Photocopies of all QSL cards (front and back) showing confirmed contact with each of South Dakota's 66 counties, or
 - Signed confirmation from 2 General, Advanced, or Extra class hams certifying the examination of your QSL cards. The sponsoring organization reserves the right to request further confirmation of any contacts.
10. QSL cards must clearly show the South Dakota county (QTH county) of the contact during the QSO.
11. Send \$5.00 US to cover the cost of the certificate, processing, and postage. For DX applicants (outside the U.S.), enclose \$7.00 US or 10 IRCs.
12. The sponsoring organization, The Sioux Empire Amateur Radio Club, reserves the right to modify any part of this program or to discontinue it at any time. All decisions of the sponsoring organization are final.
13. See www.w0zwy.org/wasdc for updates to these rules.

South Dakota Counties

- | | | | |
|-----------------|----------------|----------------|--------------|

Worked All South Dakota Counties (WASDC) Application

Please print clearly!

Call Sign: _____ Date: _____

Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Email: _____

Initial: _____ I have made contact with all 66 South Dakota counties via a properly-operated amateur radio station located in a single county, parish, district, or location according to the rules of the WASDC award program.

Initial: _____ All contacts have been made **after** December 31, 2008, 000 UTC, and I am not counting any more than 10 contacts from any single call sign or station.

QSL Verification

Please select one QSL verification option:

I am including the original QSL cards with my application. I understand that I **MUST** include a self-addressed return envelope with adequate postage in order for my cards to be returned to me.

or

I am including photocopies of the fronts and backs of each QSL card with my application. I understand that these photocopies will **NOT** be returned to me.

or

I will have my cards examined by 2 General Class (or higher) amateur radio operators:

We have examined the QSL cards for this operator and certify that they meet the requirements of the WASDC award program, all contacts have been made after December 31, 2008, 000 UTC, and at least one contact has been made to each South Dakota County.

Special Single Band / Single Mode Endorsement

As an **option**, you may apply for a single band or a single mode endorsement. If all contacts are made on the same amateur band, your WASDC award will be endorsed accordingly. If all contacts are made using the same mode (except phone modes), you will qualify for a Single Mode WASDC endorsement.

Single Band Endorsement

All my WASDC contacts have been made on a single amateur band.

Band: _____

Single Mode Endorsement

All my WASDC contacts have been made using a single, non-phone mode.

Mode: _____

I hereby certify that I have completed verified QSOs with stations in each of South Dakota's 66 counties, according to the rules of the WASDC award program. I have read the rules of the WASDC award program and am entitled to the certification for which I am applying. I understand that the decision of the sponsoring organization, The Sioux Empire Amateur Radio Club is final, and that the sponsoring organization has the right to modify, amend, or terminate this program at any time.
